Summer English Program with Entrepreneurship & Innovation Focus

This program is designed to provide participants with a foundation of the latest concepts and skills relevant to entrepreneurship and innovation. While practicing and improving communication skills in this context, participants will have an opportunity to learn essential topics, including:

- Entrepreneurial Opportunity Identification,
- Leadership for Innovation,
- Enterprise Opportunity Development,
- Rapid Prototyping, and
- Business Launch and Development.

This program also includes a week of preparatory English so that students can prepare to participate effectively in the program while improving their English skills for academic and workplace environments.

Program Features:

- Lectures by expert faculty from McMaster's Entrepreneurship & Innovation Program in our School of Engineering Practice
- Highly qualified and experienced English language instructors
- Progress Report and Certificate of Completion
- Pitch Competition (with special recognition for top pitches)

Program Dates: July 14 – August 3, 2025

Program Fee: \$5,000.00 CAD

fees include: tuition, accommodation, limited amount of meal card for campus cafeterias, airport pick-up and drop-off, access to university facilities, weekend trips, Optional 3-day Eastern Canada Visit@ \$750 and university health insurance
